EMPLOYEE Benefits Enrollment ANNUAL

alex[®]

MEET ALEX

ALEX[®] is an online tool that will help you select the best benefit plan for you and your family.

When you talk to ALEX, he'll ask you a few questions about your health care needs, crunch some numbers, and point out what makes the most sense for you. Anything you tell ALEX remains anonymous, so don't be afraid to really let loose about that weird tooth thing.

How long will this take?

Most users spend about 7 minutes with ALEX, but it just depends on how much guidance you'd like. ALEX can save your place, so you can leave to get some peanut brittle and then pick up right where you left off.

How should I prepare?

You don't need to do much of anything. ALEX will ask you to estimate what type of medical care you might need this year (doctor visits, surgeries, ER visits, prescriptions, etc.), so you may want to tally those up and talk to your family about their needs, but ALEX can also help you come up with some estimates.

Can I use ALEX on my phone?

Oh yeah! ALEX is optimized for any device you've got.

How does ALEX know what plan is best for me?

ALEX takes the amount each plan would cost you out of your paycheck (your premium) and adds that to the amount it would cost for the services you said you might use. Then he'll recommend the least expensive plan for your needs. However, no matter what plan ALEX recommends, it's always good to review the complete details of any plan.

Can I trust ALEX with my secrets?

Yes! Your ALEX experience is totally private. He doesn't maintain personal info or submit it back to your employer (or anyone else), so it's completely anonymous.

What Do I Need to Do?

Annual Enrollment is an opportunity for you to review your current benefit plan elections to ensure they continue to meet your needs and those of your family. All changes made during the Annual Enrollment Period become effective on January 1, 2023. *
*Your enrollment in some plans is NOT guaranteed. For employee and dependent life insurance and long-term disability you may be asked to answer some medical questions. No deductions for new or increased coverage will be taken until the insurance company notifies the Human Resources Department that you and/or your dependent(s) have been approved.

WHAT BENEFITS REQUIRE RE-ELECTION?

If you want to contribute to a health care and/or dependent care flexible spending account (FSA), during the calendar year 2023, you **MUST** make a new election(s) in the online enrollment system. Even if you participated in these plans during the calendar year 2022, your deductions would default to \$0 for 2023 unless you re-enroll. More information and details available via the online enrollment site and on the FSA page in this guide.

NO CHANGES TO YOUR CURRENT ELECTIONS?

If you do not want to make any changes to your current medical, critical illness, dental, vision, legal, optional life, dependent life, accidental death & dismemberment, or long-term disability, elections, **you do not need to do anything**. Your 2022 elections for these benefit plans will automatically continue for the calendar year 2023. *

It is highly recommended that you review your current benefit elections to ensure accuracy.

*** REMEMBER!** Although you may not need to make any changes to certain benefits, you **MUST** re-enroll in Health Care and and/or Dependent Care Flexible Spending Accounts if you want an account in the 2023 calendar year.

WHAT ABOUT MY DEPENDENT CHILD WHO TURNED 26 IN 2022?

Your dependent child who turned 26 in 2022 will remain on your plans until the end of the 2022 calendar year. During this annual enrollment, if you would like to continue to cover your 26-year-old dependent child on **MEDICAL insurance only**, you will need to re-enroll them as an Overage Dependent. If you do not wish to continue coverage, you can remove them from your medical plan. For Overage Dependent premiums, see the online benefits enrollment system.

AM I ELIGIBLE TO MAKE CHANGES DURING THE 2023 ANNUAL ENROLLMENT PROCESS?

All full and part-time Regular Permanent employees and Other Personnel Service (OPS) employees hired **ON OR BEFORE September 21, 2022**, are eligible to participate in the 2023 Annual Enrollment Process.

CAN I MAKE MORE THAN ONE CHANGE TO MY BENEFITS DURING ANNUAL ENROLLMENT?

Yes. You may make multiple changes in the online enrollment system during the Annual Enrollment Period. The last save you make to your changes will process as your final election.

Any election you make, including the election NOT to change any of your benefits, is FINAL once the annual enrollment period has ended.

Federal laws that govern our benefit plans do not allow any exceptions to be made to this rule. You may make your elections from 5:00 p.m. on October 21 through 5:00 p.m. November 18, 2022.

IS THERE SOMEONE WHO CAN EXPLAIN THE DIFFERENT BENEFIT PLANS THAT ARE OFFERED?

Talk to ALEX@! ALEX is the City of Tallahassee's benefits counselor. If you plan to retire early next year and you elect employee/dependent life during this annual enrollment, you **MUST BE APPROVED** for coverage BEFORE you retire if you want to take the benefit with you into retirement. What's Going on in 2023

MEDICAL PLANS

Good news!

Capital Health Plan & Florida Blue **premiums will be reduced** for employees for plan year 2023.

HEALTH CARE FLEXIBLE SPENDING ACCOUNTS

The maximum annual contribution to the Health Care FSA plans has increased to \$2,832.00 for the 2023 plan year.

DENTAL PLANS

There is a minimal increase in dental premiums for the 2023 plan year, due to an upgrade in coverage. The current 2022 plan only provides coverage for silver fillings on posterior teeth. The 2023 plan coverage has been upgraded to cover composite (tooth-colored) fillings on posterior teeth. This upgrade is for all dental plans offered through Guardian.

SAME PREMIUMS FOR 2023 (NO INCREASE!)

Critical Illness, Vision, Legal, Employee, Spouse/Domestic Partner and Child Life, Accidental Death & Dismemberment, and Long-Term Disability

There are no plan design changes or rate increases for critical illness, vision, legal, employee and spouse/domestic partner life, accidental death & dismemberment, and long-term disability for the 2023 plan year.

Employee and Spouse/Domestic Partner Life & Long-Term Disability Plans

During this annual enrollment period, any new enrollment or increased enrollment for employee and/or spouse/domestic partner life insurance and long-term disability plans will require a Statement of Health. This means, you will need to complete a medical questionnaire once enrollment has closed. *

* MetLife will review your information and evaluate your request for coverage based upon your answers to the health questions, MetLife's underwriting rules and other information you authorize us to review. In certain cases, MetLife may request additional information to evaluate your request for coverage. Like most group life insurance policies, MetLife's group life insurance policies contain certain exclusions, limitations, and terms for keeping them in force.

Enrollment Process

The online benefits enrollment system is part of the Self-Service area of PeopleSoft HCM. You are probably most familiar with this system as the place you go to print your paycheck, view your benefit information, and COT pension information.

You can also view your current benefit elections in PeopleSoft. We encourage you to review them to ensure they continue to meet your needs. Elect your benefit choices carefully, as you will not be able to make changes after **November 18, 2022**, unless you experience an IRS Mid-Year Qualifying Event.

The benefit elections you make during this open enrollment period will become effective January 1, 2023, and are binding through December 31, 2023.

HOW DO I GET TO PEOPLESOFT?

Need help finding PeopleSoft or navigating to the enrollment area? It is highly recommended that you download and print the *Online Benefits Enrollment User Guide*. This guide will give you step-by-step instructions on how to make your benefit elections using the PeopleSoft HRMS online enrollment system.

From any computer, log-on to www.talgov.com/annualenroll.

From the Online Enrollment home page, click the *Online Benefits Enrollment User Guide*.

Follow the steps in this guide to make your annual benefit elections.

WHAT HAPPENS AFTER I SAVE MY ELECTIONS?

Once you have completed and saved your online enrollment elections, you will receive a Confirmation Statement sent to the email address you provided on screen. You will receive a Confirmation Statement each time you make changes and click save.

Your Confirmation Statement will let you know which benefits you have enrolled for, any dependents you have selected to be on the plan, and the biweekly cost of the plan.

It is recommended that you print/save a copy of your confirmation statement.

DO I NEED TO DO ANYTHING AFTER ANNUAL ENROLLMENT HAS ENDED?

Once Annual Enrollment has ended, you will receive a final Benefit Statement to the last email address you provided to the system.

The Benefits Statement will list any forms that you may be required to submit before enrollment can be processed.

All forms can be accessed, downloaded, and printed from a City computer or Non-City computer by visiting

<http://www.talgov.com/annualenroll>

and will be available after the enrollment period has ended.

Required benefit forms WILL NOT be included with your Benefits Statement. Employees are responsible for ensuring required forms are completed and returned to the Human Resources Department by December 31. *

* Please note that if required forms are not submitted, you may be paying for a benefit for which you will not have access to.

WHERE DO I SUBMIT MY FORMS?

Required forms are due back to the Human Resources Division by **December 31**.

Employees can submit forms via:

- Fax to 891-0830
- Email to HRBenefits@talgov.com

Health Plans

Medical Plans

The City of Tallahassee offers two medical insurance plans, both of which provide coverage for pre-existing conditions, prescription drugs, mental health, and substance abuse with no lifetime maximum.

- Capital Health Plan (HMO)
- Florida Blue – Blue Options (PPO)

Choosing and personalizing your benefits depends on your specific health care needs, doctor preferences, budget, and the type of plan you prefer. ALEX, the official City of Tallahassee benefits counselor, can provide easy to understand explanations for any questions you might have along the way. You'll receive personalized, confidential guidance on insurance plan options that will give the right level of coverage for your needs. ALEX can also show you a side-by-side comparison of both plans offered to determine which plan suits your medical needs.

You can talk to ALEX here

<https://www.myalex.com/cityoftallahassee/2023>

COST OF COVERAGE

You and the City of Tallahassee share the **biweekly** cost for medical coverage. The City pays most of the cost.

Your cost is based on the coverage level you choose.

Capital Health Plan & Florida Blue premiums are listed below.

YOURSELF & LEGAL DEPENDENTS	Employee	City
Individual (Single)	\$48.82	\$349.78
Employee + 1 (2 Party)	\$160.93	\$644.50
Employee + 2/More (Family)	\$288.89	\$806.68

ADDITIONAL COST TO ENROLL AN OVER-AGE DEPENDENT (Adult Child) (AGES 26-30)

(For Medical Insurance ONLY)

The City will **not** subsidize any increase in cost due to the addition of a dependent in the 26-30-age category. Depending on the coverage you elect and the number of overage dependents you will be adding to your plan, you may be required to pay an additional premium to cover these dependents. The additional cost can be found via the online benefits enrollment system. *The premiums for overage dependent coverage will be taxed on an after-tax basis. Please seek the guidance of a tax professional if needed.*

HEALTH MAINTENANCE ORGANIZATION (HMO)

An HMO is a managed care group that provides services and supplies through its own network of doctors, hospitals, and other health care facilities. It covers your expenses only if you go to a health care provider within its network of providers (unless it's a life-threatening emergency).

When you enroll in an HMO plan, you will be required to select a primary care physician (PCP) who manages your care using the HMO network's physicians and facilities. Each member of your family may have his or her own PCP. You may need approval from your PCP before seeing certain specialists.

HMO's provide health care within specific geographic areas called service areas. To be a member of an HMO, you must live or work in its service area. Except for emergencies, you must use doctors in your HMO's network and within your service area.

With an HMO:

- There is NO deductible.
- There are NO claims to file.
- You pay a fixed copayment for each office visit, emergency room visit, and hospital stay
- Most specialists do not need a referral

Eligible Dependents living outside the network will be offered temporary enrollment in a Blue Cross Blue Shield participating HMO in cities nationwide.

(See plan documents via the online enrollment system for complete details.)

PREFERRED PROVIDER ORGANIZATION (PPO)

A PPO gives you freedom of choice and greater flexibility than an HMO. You are not required to choose a primary care physician and do not need a referral to see a specialist. The PPO offers a large network of contracting doctors and hospitals to choose from when care is needed. When a contracting network provider is used, the care is considered "in-network" and out-of-pocket costs will be less. If a provider outside the network is used, the care is considered "out-of-network" and coverage is still provided, but the out-of-pocket costs will be significantly higher. PPO members have access to care anywhere they live, work, or travel, across the country and around the world.

With a PPO:

- There is an annual deductible.
- Some services require a copay (including in-network prescription drugs)
- You pay a percentage of the charge after you have met your deductible for each office visit, emergency room visit, and hospital stay.

WHICH PLAN IS RIGHT FOR YOU?

The best medical plan for you depends on many factors such as:

- What are your anticipated medical expenses for next year?
- Do you want to participate in a Flexible Spending Account?
- What can you afford to pay out-of-pocket (in terms of deductibles and copayments) if you or a covered dependent needs medical care?
- Do you have other medical coverage (for example, through your spouse's employer)?
- Do you have a doctor whom you want to keep seeing, or would you be willing to switch to a network doctor, if necessary, to pay less for coverage?
- Do you travel often or are you away from the City of Tallahassee often?
- Do any of your dependents need routine medical care in an out-of-state location?

THE CHOICE IS YOURS!

Find the medical plan that is right for you by answering a few questions about your medical needs.

Critical Illness Plan

The City of Tallahassee offers two (2) Critical Illness coverage options, provide by Allstate. A \$10,000 option or a \$20,000 option.

CRITICAL ILLNESS PLAN OVERVIEW

Critical illness coverage helps provide financial support if you are diagnosed with a covered critical illness. With the expense of treatment often high, seeking the treatment you need could seem like a financial burden. When a diagnosis occurs, you need to be focused on getting better and taking control of your health, not stressing over financial worries.

You choose a benefit coverage option to protect yourself and any family members if diagnosed with a critical illness. Then, if diagnosed with a covered critical illness, you will receive a cash benefit based on the percentage payable for the condition.

MEETING YOUR NEEDS

- Guaranteed Issues, meaning no medical questions to answer at initial enrollment.
- Coverage is available for individual and child(ren) or family. Child(ren) coverage at no additional cost!
- Covered spouse receives 100% & children receive 50% of your Basic-Benefit Amount.
- Benefits paid regardless of any other medical or disability plan coverage.

USING YOUR CASH BENEFITS

Cash benefits provide you with options because you decide how to use them.

- FINANCES- Can help protect FSA's, savings, and retirement plans from being depleted.
- TRAVEL -Can help pay for expenses while receiving treatment in another city.
- HOME – Can help pay the mortgage, continue rental payments, or perform needed home repairs or after care.
- EXPENSES – Can help pay your family's living expenses such as bills, electricity, and gas.

COST OF COVERAGE

You pay the full cost for your critical illness coverage based on:

- The plan you choose and
- The coverage level you choose
- Use the chart below to determine your coverage costs

Dental Plans

The City of Tallahassee offers three (3) dental plans provided by Guardian. All three dental plans use a preferred provider organization (PPO) network.

DENTAL PLANS OVERVIEW

Regular visits to the dentist may do more than just brighten your smile—they can be important to your overall health. Many diseases produce oral signs and symptoms. All City of Tallahassee dental insurance plans provide coverage for preventive care, basic care, major care, and orthodontia.

Choosing and personalizing your benefits depends on your specific dental care needs, budget, and the type of plan you prefer. Under the plans, you are free to visit any licensed dentist you choose. The dental plans offer a large network of contracting providers to choose from when dental care is needed.

When a contracting network provider is used, the care is considered “in-network,” out-of-pocket costs will be less, and the highest level of benefits is received. If a provider outside the network is used, the care is considered “out-of-network” and coverage is still provided, but the out-of-pocket costs will be significantly higher.

USING YOUR DENTAL BENEFIT IS EASY

- To find a preferred provider, visit www.guardianlife.com or download the Guardian App
- Scroll to the bottom of the page and click “**Find a dental or vision Provider**”
- Select Plan Type” “**PPO: Dental Guard Preferred**” (enter a zip code)
- Contact the helpline at 1-888-600-1600
Reference Plan # 00025685

If a dentist is not listed in the Guardian network, employees can “**Nominate a Dentist**” located at the bottom of the page. *(Please note if a specific dentist is not listed in the network, Plan PPO A will not provide coverage should an employee decide to use services from that dentist.)*

COST OF COVERAGE

You pay the full cost for your dental coverage based on:

- The plan you choose and
- The coverage level you choose

BIWEEKLY	SINGLE	EE+1	EE+ 2/MORE
PPO A	\$5.18	\$10.22	\$18.18
PPO B	\$11.29	\$22.38	\$40.49
PPO C	\$10.81	\$21.46	\$38.95

WHICH PLAN IS RIGHT FOR YOU?

The best dental plan for you depends on several factors:

- What are your anticipated dental expenses for next year?
- What can you afford to pay out-of-pocket (in terms of deductibles) when dental care is needed?
- Do you have other dental insurance?
- Is the dentist you want to see in-network?
- If the dentist you want to see is not in the network, can you afford the out-of-network costs? *(Note: PLAN A has **NO** out of network coverage.)*

THE CHOICE IS YOURS!

Find the dental plan that is right for you by answering a few questions about your dental needs.

Dental Plan Important Details

NETWORK PROVIDERS

PLAN A has NO out-of-network coverage.

ROLLOVER FEATURE

As an added benefit, all three plans feature a rollover benefit. Guardian will roll over a portion of your unused annual maximum into your personal Maximum Rollover Account (MRA). If you reach your Plan Annual Maximum in future years, you can use money from your MRA. To qualify for an MRA, you must have a paid claim (not just a visit) and must not have exceeded the paid claims threshold during the benefit year. Your MRA may not exceed the MRA limit.

EXAMPLE

YEAR ONE: Jane starts with a \$1,000 Plan Annual Maximum. She submits \$150 in dental claims. Since she did not reach the \$500 Threshold, she receives a \$250 rollover that will be applied to Year Two.

YEAR TWO: Jane now has an increased Plan Annual Maximum of \$1,250. This year, she submits \$50 in claims and receives an additional \$250 rollover added to her Plan Annual Maximum.

YEAR THREE: Jane now has an increased Plan Annual Maximum of \$1,500. This year, she submits \$1,200 in claims. All claims are paid due to the amount accumulated in her Maximum Rollover Account.

YEAR FOUR: Jane's Plan Annual Maximum is \$1,300 (\$1,000 Plan Annual Maximum + \$300 remaining in her Maximum Rollover Account).

For plan specific rollover details, please visit the online enrollment system.

HEALTH CARE & DEPENDENT CARE FLEXIBLE SPENDING ACCOUNTS (FSA)

Flexible Spending Accounts

The City of Tallahassee offers flexible spending accounts (FSA) from which the payment for certain health and dependent care expenses are paid with tax-free dollars through TASC. IRS regulations require re-enrollment into the FSAs each year. If you are enrolled in a health and/or dependent care FSA during calendar year 2022, your elections **will not automatically** be continued for calendar year 2023. Per IRS regulations, your health and/or dependent care FSA contribution elections for 2023 must remain in effect through December 31, 2023.

HEALTH CARE FSA

The Health Care FSA offers you the opportunity to pay for certain health care expenses for yourself and your dependents as long as these expenses are not covered by your medical, dental, or vision plans. Eligible health care expenses include:

- Medical, dental, and vision deductibles, coinsurances, and office visits
- Prescription medication
- Certain over-the-counter drug expenses
- Unreimbursed vision expenses

DEPENDENT CARE FSA

The Dependent Care FSA offers you the opportunity to pay for certain eligible dependent care expenses incurred while you and your spouse works.

An eligible dependent care expense includes:

- Before- and after-school care
- Extended day programs
- Day care, preschool, or nursery school
- Summer day camp
- Elder day care

An eligible dependent is:

- A child under age 13, who is claimed as a dependent on your income tax
- A child aged 13 and older, who • Depends on you for at least half of his/her support; • Regularly spends at least eight hours a day in your household; and • Is physically or mentally unable to care for himself/herself
- A disabled spouse or an elderly parent

ELECTION LIMITS

You may contribute the following:

For **Health Care FSA**

- A minimum of \$5 and a maximum of \$118 biweekly

For **Dependent Care FSA**

- A minimum of \$10 and a maximum of \$208 biweekly*

HOW THE ACCOUNTS WORK

You elect an annual contribution, which will be deducted on a pre-tax basis from each of your paychecks in equal amounts. As a pre-tax contribution, the amount will be deducted from your salary before federal income tax, and, in most cases, state and local taxes.

- Your total HCFSAs annual elected amount is **immediately** available to you, even if the money is not yet in the account.
Example: If you put \$10 per month into your account, your annual election is \$120 (\$10 times 12 months). If you had an eligible expense in February, you could make an out-of-pocket payment of \$120 and get your reimbursement immediately, even though your account might only have \$10 in it.
- If you are a new participant and enroll in an FSA for 2022, you will be issued a new TASC Visa Card prior to January 1, 2023 and can begin using your new TASC Visa Card beginning January 1, 2023. (If you are not a new participant, you can continue to use your old card.)
- Plan carefully. Any balance not used by March 15, 2024, will be forfeited; you cannot receive the balance back and you cannot carry it over to the next year.
- For DCFSA's, you are reimbursed up to the cash balance in your account. In the month of January, you could experience essentially a double childcare payment because you will be paying your provider while your first deductions will come out of your January paychecks, **so plan accordingly!**

**IRS rules limit elections for DCFSA's. You can elect to put \$416 per month, (or \$208/month if you are married but file separate income tax returns) into your account. If your total compensation is more than \$120,000 annually, we may have to further limit the amount you can contribute to comply with Internal Revenue requirements.*

Retiring on or Before December 31

If you will be retiring on or before December 31 of this year, please be advised that any election(s) you make in the online enrollment system during the annual enrollment period **WILL NOT** be processed/valid into retirement. If you plan to retire early next year and you elect employee/dependent life during this annual enrollment, you **MUST BE APPROVED** for coverage BEFORE you retire if you want to take the benefit with you into retirement.
